Break room	165	120	-	-
Janitor Closet	40	35	35	-
Hall	90	90	80	-
Subtotal	295	245	115	-

Notes

Building program is driven by the annual workload and cemetery staffing and is divided into 4 categories; Remote, Small, Medium and Large.

The area guidelines listed above are based on Net Square Footage and represent the maximum allowance by use space.

* If the Administration and Maintenance Buildings are combined there will be one space shared space. If the buildings are separated there will be one space for each.
