Subject: Notice of Availability of Draft Environmental Assessment for the Proposed Gravesite Expansion Located Within the Existing Dayton National Cemetery located in Dayton, Montgomery County, Ohio
[EAXX-029-40-NCA-1753125027]

Dear Valued Stakeholder:

The U.S. Department of Veterans Affairs (VA) has prepared a Draft Environmental Assessment (EA) to analyze the potential environmental impacts associated with a gravesite expansion and cemetery improvements on approximately 44.9 acres, including approximately 11-acres of undeveloped land, within the existing Dayton National Cemetery located at 4400 West Third Street Dayton, Montgomery County, Ohio 45428 (Figures 1 and 2). The purpose of the proposed action is to provide additional interment capacity to serve the projected burial needs of Veterans in the region.

VA has prepared the Draft EA in accordance with the National Environmental Policy Act of 1969 (NEPA) (42 U.S. Code [USC] § 4321- 4370) and VA's NEPA regulations (38 CFR Part 26). The Draft EA examines the potential environmental impacts from implementing the Proposed Action and the No Action Alternative.

Concurrent with this mailing, a Notice of Availability will be published in the *Dayton Daily News* to inform and solicit input from the public. The Draft EA is available on the VA website at: https://www.cem.va.gov/ea.asp.

Hard copy of the Draft EA is also available for public review at the Dayton Metro Library located at 215 E. Third St. Dayton, OH 45402 and at the Dayton National Cemetery located at 4400 West Third Street Dayton, OH 45428.

VA recognizes that you, as an identified stakeholder, may have comments on the content of the Draft EA. Please submit your comments/information via email within 30 days following receipt of this NOA to wbenton@ae-mn.com with the subject line "Dayton National Cemetery Gravesite Expansion".

Respectfully,

MICHAEL ROTH
